Leave a gift of hope that will meet the growing needs in our community

Since 1939 the Christchurch Methodist Mission (CMM) has been making a difference in the lives of children, young people, families and older people across the South Island.

The early days of CMM saw the establishment of the Methodist Children's Home, Rehua Marae and the Maori Trade Training Scheme.

Today, CMM provides a diverse range of support from Early Childhood Education for low-income families through to Services for Older People. Although the nature of our work has changed over the years, our commitment to helping people in need and giving them hope has not.

CMM has responded to the needs of people through every generation for almost 80 years. By leaving a gift in your Will you can help CMM meet the future needs of our community.

CMM helps people throughout the community, from the youngest to the oldest.

The Community Response team works in Christchurch schools and communities supporting children and their families

The Christchurch Methodist Mission brings hope to those in need.

Every year over 2000 people are supported by our staff. There is a growing need for the support that CMM provides.

CMM is helping shape the future of our region through four key aspects of support – Early Childhood Education, support to Families, care of Older People and Housing for those on low incomes. The programmes and services of each meet the unique needs of the people in our community.

CMM's Community Response Team was established after the earthquakes to improve the mental and emotional well-being of children and young people in schools. This team continues to work in schools and communities throughout Christchurch with children, young people and their parents.

Housing remains a big issue affecting our community, particularly young families and older people. CMM is committed to providing warm, affordable and secure accommodation to people who are homeless or at risk of being homeless. As well as a roof over their head, CMM provides the wrap-around support that they need to move forward and restore their hope.

Your gift will make a difference

By leaving a gift in your Will, CMM will continue to grow hope in our community. There are many children, young

people, families and older people in need of the wide range of support that CMM provides.

Your gift can help house the homeless, provide support to vulnerable families and care for older people in their later years. Whatever the future needs are in our community, your generosity will equip and empower the Christchurch Methodist Mission to make a difference in people's lives in the years to come.

Gifts from Wills have significantly helped the redevelopment of CMM's WesleyCare Home & Hospital
